CHILDREN HELPING CHILDREN

At **Box of Hope**, our mission is to empower **Children helping Children** in **2019 and 2020**, with the support from the Hong Kong community, Box of Hope brought love and excitement to **over 38,500 children** in extreme poverty around Asia by sending them unique gifts at Christmas.

We have also received encouraging feedback from the Hong Kong school children who participated in packing the gifts, and how Box of Hope helped them to develop generosity and empathy. We are very happy to have the opportunity to inspire the spirit of giving in the younger generation of Hong Kong.

“I am very happy that me and my son received a gift from Box of Hope. We are very happy because my son now has plenty of new toys that we can't afford to buy.”
