

Running a Gift Drive in 2026

Your guide to sharing gift joy this festive season

www.boxofhope.org

We believe that EVERY child deserves to experience the excitement of receiving a gift.

Please help us make that happen.

Thank you for your interest in supporting Box of Hope. Each year, our corporate donors enjoy the warm, happy feelings associated with running their own gift drive to support underprivileged children.

Together in 2025, our donor community brought gift excitement to over **37,100** children in Hong Kong and South East Asia. The generosity and kindness was outstanding. We'd love to have you be part of that this year.

This guide outlines everything you need to know to run your own gift drive, creating fun and joy for all involved.

Our website contains lots of FAQs, but by all means, please contact me if you need anything at all.

Warm regards,

Melanie Ng

Our Tips for Creating Your Gift

It is highly likely that the child receiving your gift, will not normally receive a gift over the festive period.

Please follow the guidelines below to make sure their first gift experience is truly amazing.

- **Packaging:** Source adult-size shoe boxes or backpacks (we can provide for HK\$20 each) to house your gift items.
- **Decorate:** Feel free to wrap and decorate your gift box as you like - but please make sure the box is NOT sealed.
- **New Items:** Ensure all gift items are NEW - we cannot distribute any pre-loved, old or used items.
- **Check List:** Include all items from the gift labels (refer next page) so gifts are as FAIR and EQUAL as possible.
- **Ages in Need:** Please consider creating a gift for an infant (0-1yr), toddler (1-2 yrs) or a teenager (12-15 years). These are our most underserved age groups and we need your help to fill a growing gap.
- **Stationery:** This is by far the most valued item in the gift - please consider adding extra items into your gift as the children not only LOVE stationery but NEED it for school, and it's expensive.

Boxes or bags like these are perfect!

A Box of Hope Gift

For over 18 years, we've been providing marginalised children and their families with gifts containing a blend of useful, fun and education items.

Gift content has been developed in collaboration with our supported charities and of course the gift recipients themselves - after all, we need to make sure we are gifting items that are not only needed, but valued!

Please see the following sample gift labels for two of the most in-demand, yet underserved age groups.

Ways to Run a Gift Drive

Choose which setup suits your company best:

- **Self Funded by Colleagues:** Your colleagues prepare their own gifts, as per our gift label, and bring them to your designated collection point to facilitate easy collection and delivery.
- **Funded by Your Company:** Your organisation funds colleagues' gift donations and provides the bag/boxes and all the gift items. Host a day where your colleagues can pack these items together as their contribution.
- **A Mix of Both:** Your company and colleagues collaborate to fill the gift and packaging requirements. This may help to reduce costs by sourcing in bulk but also give colleagues a chance to add their own personal touch.

HOW WE CAN HELP

- **Team Leader:** We recommend nominating a project leader - someone to liaise with us throughout the process and to communicate key dates to your colleagues.
- **Sourcing Gifts:** We have lots of local vendor contacts and can also help to provide bags for your gifts (HK\$20/each).
- **Social Media:** Tag us on [@boxofhopehk](https://www.instagram.com/boxofhopehk) so we can share your gifting journey with our community.

Before Your Gifts Come To Us

Important Reminders

- **All Items are Included:** Double check that your box or bag contains **all the required items** listed on the gift label.
- **Complete the Gift Label:** Ensure you have selected the appropriate age and gender on the label.
- **Secure the Gift Label:** Each box or bag must have a completed label attached - either glued on the box lid or stapled on the bag strap.
- **Don't Seal the Lid:** If you are using a box, please wrap the lid and body separately, and secure with a ribbon or rubber band. Each box needs to be easily opened for checking.
- **Delivery Timeline:** Gifts need to be delivered to us between **5 - 18 NOVEMBER 2026** to ensure they are processed in time.
